We are pleased to recommend the services of Legends Sports Photography. For 12 years all our program photography was handled by Group Shots Photography and seldom had a problem. Since they sold their business, we have used three companies and have been dissatisfied. This fall we came to an agreement with Legends Sports Photography and are quite pleased with their service and products. Daniel Darrow and his staff go above and beyond what we originally expected. We were very pleased with the planning, shoot, and delivery of the photos. Feel free to contact me if you have any question concerning Legends Sport Photography.
